HENRI COANDA
CHALLENGE

11-12 JUNE 2024

THE HENRI COANDA CHALLENGE

The inaugural event of the year, formally known as "The Emile Berliner Challenge", the regatta aimed to find a solution to the problems of maintaining military helicopters deployed on operations. The sailing result was a victory for Cobham but, in addition, two representatives from the OEM, The Boeing Co. and six operatives from the support organization, Vector Aerospace were deployed to an operational theatre.

In 2024, The Henri Coanda Challenge continues to take over where The Emile Berliner Challenge left off in 2018 by bringing an aviation-centric community, not just helicopter OEMs, together in support of Sail2Help.

Although the names of the regattas may at first glance seem strange, there is some science behind their choice. Emile Berliner was an inventor best known for inventing the gramophone and the flat disc phonograph records that the player used. However, he and his son Henri designed a helicopter which flew successfully in 1919. Henri Coandă was a Romanian inventor, an aerodynamics pioneer and builder of an experimental aircraft, described by Coandă in the mid-1950s as the world's first jet, a controversial claim disputed by some and supported by others.

IN PARTNERSHIP WITH BRITANNIA

Britannia Corporate Events is a specialist provider of corporate sailing days and events on the Solent (the home of UK yachting); offering a range of bespoke and quality team building, reward or networking events. With over 20 years experience in the sailing industry we pride ourselves in producing high quality, tailor made packages to suit our clients' requirements. We're so much more than just a provider of yachts - we offer a complete event management service to make sure you get the most out of your day.

We organise everything from parking to post sailing drinks to make sure that each detail is taken care of and that your guests enjoy a seamless, relaxed day.

*Thank you for a fabulous experience.
So well organized and professional.
Great support team who were so
welcoming and enthusiastic.*

OUR CHARITY PARTNER

SAIL 2 HELP

our chosen Charity partner is SAIL2HELP. The SAIL2HELP programme was established to raise awareness of mental health issues among young people. With the aim to raise funds in order to offer much needed support to such vulnerable people, and their families who together are fighting a mental health battle. In addition, to financially support Papyrus, the UK's main suicide prevention charity for young persons, and ISWAN who provide a free multilingual & confidential helpline - YachtCrew Helpline for professional yacht crew.

The enduring programme will now be able to fund a sustainable programme to provide a sailing experience for those families blighted by the terrible effects of mental health issues, making the waves of grief that usually knock them off their feet less violent.

In 2021 we were able to donate more than £20,000 to Papyrus. In 2022 we raised £32,500, of which £5000 was given to Papyrus's Hopeline 24/7 and another £5000 to ISWANS YachtCrew Helpline.

SAIL2HELP is a charity registered with the Registered Charity Number 1198826.
