COMMUNITY REGATTA **2024** 

07-08 MAY 2024

# THE SUPERYACHT DESIGN CHALLENGE

The regatta is a fantastic opportunity to network with industry peers, promote your brand amongst a relevant audience, enjoy a team building activity and have a fun day, sailing in the UK's premier sailing area, the Solent.

Whether you choose to bring a team from head office, or captivate key clients or business partners, a day on a yacht is an unrivaled way to build stronger working relationships. Combine that with networking drinks and dinner at the nearby Royal Southern Yacht Club - and the result is an exciting and productive event!

You and your invited team will sail together on a premium sailing yacht, under the guidance of a professional skipper - so don't worry, no previous sailing experience is required.

Active since 2012, the Superyacht Charities (SYC) aims to bring together a full cross section of the Superyacht Industry to raise awareness and fund for charitable causes. The SYC are pleased to support the fundraising activities of other organisations across the Superyacht Industry.

Sailing is a great way to improve team cohesion and efficiency. It helps build foundations that can drive your bottom line, and provides the people that matter most to your business an unforgettable experience.

# OUR CHARITY PARTNER

## SUPERYACHT CHARITIES

Our chosen Charity partner is the SUPERYACHT CHARITIES. The SUPERYACHT CHARITIES On 18th April 2015, five industry friends got together to organise a Pre-Med party.

The success of this party led Derek Munro, on the 19th April 2015, to purchase a number of domain names, including [www.superyachtcharities.com](http://www.superyachtcharities.com) with the goal of creating an annual event raising funds for good causes as per our current charter. Superyacht Charities hosts six events per year to raise money for chosen charitable causes. These events are widely recognized and have become fixtures in the calendars of many companies within the yachting world.

The purpose of each event is to gather industry colleagues, friends and family together to raise awareness and funds for chosen charities whilst enjoying the occasion. SYC wants to ensure that worthy causes receive as much of the funding as possible and help the growth of the smaller not for profit and non-government funded charitable organisations.

SUPERYACHT CHARITIES is a charity registered with the Registered Charity Number: 1166259.
