

REWARD AND INCENTIVE SAILING DAY

ABOUT US

WORKING WITH BRITANNIA

Britannia Corporate Events is a specialist provider of corporate sailing days and events in the Solent (the home of UK yachting); offering a range of bespoke and quality range of VIP, experience, team building, and networking days.

With over 20 years' experience in the sailing industry we pride ourselves in producing high quality, tailor made packages to suit our clients' requirements. We're so much more than just a provider of yachts - we offer a complete event management service to make sure you get the most out of your day.

We organise everything from parking to post sailing drinks to make sure that each detail is taken care of and you and your guests enjoy a seamless, relaxed day.

THE SAILING

Absolutely NO previous sailing experience is required

When you book your sailing day you will be allocated a premium yacht and two professional crew on board to oversee safety and provide on-the-day sailing tuition, literally showing you the ropes. You and your guests can sit back, relax and soak up the sea air or get fully involved and take the helm.

OUR LOCATION

Port Hamble is an excellent location for your sailing day. Our base in Port Hamble Marina is in the heart of the beautiful, riverside village with a selection of boutique shops, restaurants and pubs all within a short walk.

Once onboard the yacht, your guests will receive a safety briefing before navigating out of the Hamble River which is just a short sail to the main sailing area (the Solent) to maximise the time spent in action!

- 1 hour 30 from London Waterloo
- 15 minutes from Southampton Airport Parkway
- 5 minutes from J8 off M27

OUR YACHTS

Our fleet of yachts are ideal for novices and competent sailors alike. They offer a high performance sailing experience, with an uncluttered deck layout, spacious cockpit and plenty of room for crew to move about both above and below decks.

Our yachts are all in excellent condition, fully insured, MCA coded and well equipped with modern safety equipment. So you can be safe in the knowledge that you are in good hands.

ABOUT YOUR DAY

We typically meet in Port Hamble Marina at 0830am. We start the day with a continental breakfast on board your yacht while you are introduced to your professional crew for the day.

After a thorough boat familiarisation from your skipper, you will set sail for Cowes on the Isle of Wight. It's up to you how involved you would like everyone to be. We can get your guests working as a crew, practicing manoeuvres and learning the ropes or everyone can sit back and relax.

For lunch we go ashore in picturesque Cowes. Here you can choose from many delicious options including a simple pub lunch or more of a fine dining experience at one of the high end restaurants or prestigious waterfront yacht clubs. Your group will then enjoy more sailing time in the afternoon, before returning to Hamble.
