FRIDAY 23rd SEPTEMBER 2022

CORPORATE SAILING EVENTS

## THE REGATTA - 23<sup>rd</sup> September 2022

The Property Regatta is now in its 4th year. The event is designed in response to increasing demand for team building and networking opportunities from companies within the property, real estate, construction, development and facilities management sector.

The regatta combines a morning networking breakfast in, followed by an action packed day on the water with a prize giving upon arrival back in Port Hamble Marina.

You can bring teams of up to 10 which could include colleagues, clients, partners and any key people who are important to your business. Alternatively, why not come on an individual basis onboard our networking yacht mixed with other like minded people within the industry.

## COMPETE FOR YOUR CHOSEN CHARITY

The Property Regatta entry includes a donation to charity as well as fundraising activities that everyone can get involved in during the networking breakfast. These contributions will go into a prize fund which will be given to the winning teams charity.

Compete in top level big boat racing, network within the industry, team build, have fun, and if you win (!) support the charity of your choice.

## BRAND EXPOSURE

Britannia offer the opportunity to feature your company logo on your yacht during the regatta, as well provide branded team kit to all of your guests to optimise brand exposure and your presence on the water.

## SAILING

Following the networking breakfast on Friday morning, you will meet your professional crew and each team will have a safety briefing and yacht orientation, before departing the marina to enjoy a morning of training and instruction.

After a quick break for lunch on the water, teams will then experience an afternoon of competitive yacht racing against industry peers.

Our racing Beneteau First 40's are on offer for the Property Regatta. These yachts sail with a professional skipper and first mate on board to assist your team of up to 10 and help get the best out of the yacht and team.

They are the more technical race boats in our fleet and offer an impressive combination of style, comfort and performance, ideal for novices and competent sailors alike. Presenting a high performance sailing experience, with an uncluttered deck layout, spacious cockpit and plenty of room for crew to move about both above and below decks.

**Absolutely NO previous sailing experience is required.** Our crew will be on hand to coach you through the day and literally show you the ropes.
